Italian Society for Hair Science and Restoration

44th Congress of S.I.Tri.

Italian Society for Hair Science and Restoration

Live Surgery Workshop ISHRS Thursday 26th May 2022

Dear Colleagues,
SAVE THE DATE!

It is my pleasure to invite you to attend the 44th edition of the wonderful S.I.Tri Congress, which will be held from 27th May to 29th May 2022 in Florence, Italy.

S.I.Tri. in collaboration with the ISHRS - International Society for Hair Restoration Surgery have organised also a LIVE SURGERY WORKSHOP to take place as part of the 44th Congress of S.I.Tri. This full-day workshop will take place the day before the official opening of the congress, on: Thursday 26th May 2022 at The Istituto Medico Toscano in Prato, Tuscany.

S.I.Tri. has three branches: Medical Trichology, Surgery and Research. This allows us to have a very balanced perspective of our field.

You will meet colleagues from all over the world with whom to share knowledge and experience, and as special guests we will have Leonardo, Giotto and Brunelleschi. Together, trichologists will actively participate in round tables and attend inspiring lectures.

Are you still thinking that it is not worth participating?

I also have in mind a nice bike tour of the Chianti area, with a tasting experience of the traditional food and wines. Riding the bike after the tasting experience will be fun for sure!

Of course the bike tour is not mandatory and it will take place after the congress for those who are willing to join us!

I will see you all in May! Be ready for three amazing days together.

Vi aspetto!

Piero Tesauro

President of S.I.Tri.

Italian Society of Hair Science and Restoration

HOW TO SUBMIT AN ABSTRACT

Thank you very much for your interest in the next International Conference of S.I.Tri.

The abstract deadline is 15 January 2022.

Please send an e-mail to: segreteria@sitri.it with all this information:

- Your abstract title.
- Your abstract text (The abstract body should be short 100–500 words, clear, concise, and written in English).
- Your European Curriculum Vitae Format.
- Your personal photo in high resolution.

The scientific committee will evaluate the abstracts and will answer you as soon as possible.
