PROF. MARCO TOSCANI

PRESIDENT OF S.I.TRI.

Dear colleagues and friends,

Following the great success of the last congress held in Milan in 2024, it is with great pleasure that we invite you to attend the **48th International S.I.Tri. Congress**, which will take place in **Rome from May 21 to 23, 2026**.

This year, we will also celebrate the **30th anniversary of S.I.Tri.**, a significant milestone that makes this event even more special. It is a moment of pride and reflection on the achievements and visibility we have gained, as well as a time of excitement for the challenges ahead.

As President of the Italian Society of Trichology (S.I.Tri.), I am pleased to share with you this important opportunity for discussion and updates on the latest developments and innovations in the treatment and research of hair loss. The congress will bring together experts, researchers, and professionals from around the world, offering a unique opportunity for in-depth learning and networking.

Moreover, in collaboration with the **ISHRS Europe**, a practical **Live Surgery Workshop** will be held on **Sunday, May 24, 2026**, an unmissable occasion to apply the most advanced and up-to-date techniques in the field.

It will be a scientifically and professionally enriching event, with sessions dedicated to new technologies, the most effective therapies, and prevention strategies. Your participation will be highly appreciated and will greatly contribute to making the discussions even more engaging and stimulating.

We hope to welcome you to Rome, the magical and eternal city that, with its ability to unite past and present, creates a unique and unforgettable atmosphere in which to share this important experience with you.

DON'T MISS THIS SPECIAL EVENT!

GALA DINNER

FRIDAY, 22 MAY 2026

The Gala Dinner will be held in **Terrazza Caffarelli**, an exclusive luxury location overlooking the artistic, urban and architectural wonders of the Capital City, offering a panoramic view amongst the most fascinating ones in Rome.
